

TRUMETRIC

RECORDING THE BUILT ENVIRONMENT

**TRUMETRIC ARE SEEKING AN EXPERIENCED
MEASUREMENT SURVEYOR**

BE PART OF OUR GROWTH

trumetric.co.uk

LOCATION:

Preston, Lancashire

ABOUT US:

TruMetric are an ambitious and dynamic practice who recognise and reward contribution, and don't let a good idea get in the way of the best idea.

We have offices across the North of England with a reputation for delivering accurate measured services promptly to local and national clients including; industrial, office, industrial, retail, healthcare and residential landlords and occupiers.

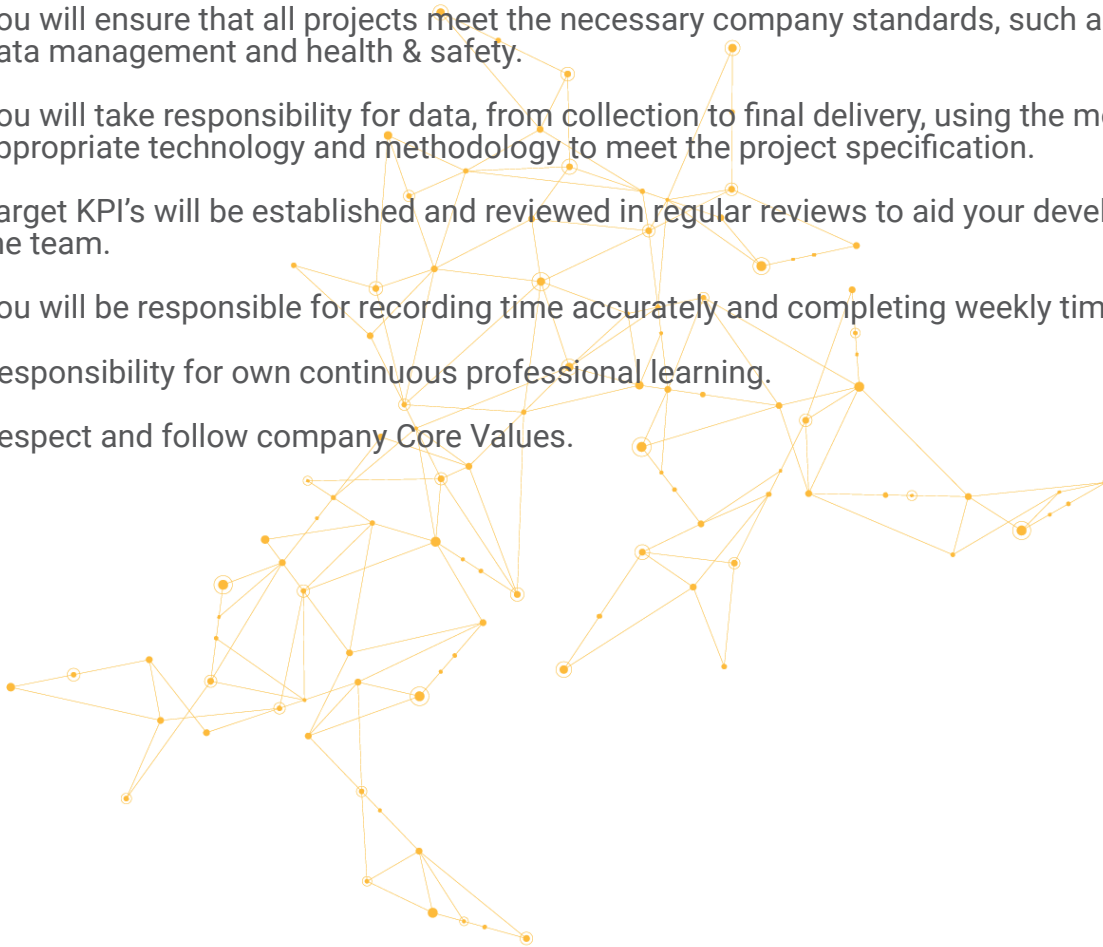

We are extremely growth focused and are looking to achieve a 200% growth over the next 3 years as part of our business growth plan. We have big ambitions and want the best team with us on this exciting journey.

Achieving the success that we have wouldn't have been possible without our dedicated and hardworking professional team. TruMetric are fully committed to the professional and personal growth of our team members. We have a flat company structure giving employees the opportunity to fast track to the top.

Finally - if not most importantly - we believe work should be fun and enjoyable and we aim to ensure our team has a brilliant (and fun) career!

THE ROLE (INCLUDES BUT IS NOT LIMITED TO):

- Managing a full range of measured building and area referencing surveys of a wide variety of building types, including; office, retail, industrial, healthcare, and residential.
- You will be experienced in utilising various forms/types of measuring equipment from 3D laser scanners to Total Stations, etc.
- You will ideally have experience of piloting drones to provide video and measured data – training will be provided if required.
- You will project manage junior surveyors in the delivery of survey data collection and production.
- There will be a balance of site and office-based work. With a reasonable amount of traveling and occasional away-working required.
- You will ensure that all projects meet the necessary company standards, such as; quality, data management and health & safety.
- You will take responsibility for data, from collection to final delivery, using the most appropriate technology and methodology to meet the project specification.
- Target KPI's will be established and reviewed in regular reviews to aid your development in the team.
- You will be responsible for recording time accurately and completing weekly timesheets.
- Responsibility for own continuous professional learning.
- Respect and follow company Core Values.

THE PACKAGE (INCLUDES BUT IS NOT LIMITED TO):

Recruiting and developing the best graduates is fundamental to our growth plans and we recognise and reward our employees by offering competitive salaries and transparent bonus scheme and a range of additional benefits that include:

- Salary range (depending on experience and office location).
 - On target bonus of £4-5k. Your potential bonus pot being visible throughout the year and updated monthly.
 - Clear and planned progression route - Fast track to the top for outstanding performers.
 - Core working hours between 10am-4pm, with opportunity for flexible working to achieve 40 hours per week.
 - 1-1 monthly meetings with your line manager to ensure your wellbeing and personal development.
 - Training and development opportunities.
 - 25 days' annual leave (increasing with service) + bank holidays.
 - Pension with Employer contribution.
 - Wellbeing support including financial, training and nutrition.
 - Inclusive, professional and fun culture.
 - Regular team social and charity events.
 - Payment of relevant professional accreditations.
 - Mileage expenses at £0.45 per mile.
- 

TRAINING AND EXPERIENCE:

ESSENTIAL ATTRIBUTES:

- Degree educated in Architecture, Land Surveying or Surveying disciplines or other relevant qualification.
- Confident outlook and positive attitude.
- Good work ethic.
- Ability to build relationships along with awareness of client care.
- Good communication skills.
- Good time management and organisational skills.
- Flexible and able to work under pressure.
- A team player.
- Ideally some industry experience.
